Medicare in the 21st Century: Understanding the Program to Promote Improvements

David M. Kalainov, MD, MBA [®]
Cynthia Barnard, PhD, MBA,
MSJS
Jessica Walradt, MS

ABSTRACT

Medicare is the largest single purchaser of health care in the United States and currently helps to pay medical expenses for

This primer provides a detailed overview of several interrelated topics for an improved understanding of the Medicare program for orthopaedic surgeons, other clinicians, healthcare administrators, policymakers, and business leaders. A great manuscript especially for readers from the 740 hospitals that are part of the CMS TEAM model that will be reviewed widely in OVBC 2025 conference.
