INSIGHT OF THE WEEK

This week, we highlight Sg2's report on the Orthopedic Service Line Outlook for 2024. This comprehensive report provides valuable insights into current trends in orthopedic outpatient and inpatient settings, emphasizing technology-assisted surgery beyond robotics, implant enhancements, remote patient monitoring, and orthobiologics.

LECTURE OF THE WEEK

This week, we are excited to feature an OVBC 2024 lecture that was presented by **Troy Simonson, CEO of Proliance Surgeons**. The lecture is titled "*Basics of Orthopedic Commercial and Government Bundling*." In his lecture, Troy emphasizes the fundamentals of building an MSK bundle. This is a nuts and bolts lecture and not a conceptual framework lecture.
